Chief of Staff, United States Air Force  
Washington 25, D. C.

Dear General Twining:

I am sending you herewith a rather full review of considerations bearing on the deployment of an AQUATONE unit to the Far East, which is at the same time my formal request for Air Force support in that Theater. I will be glad, of course, to discuss any of the points covered in this paper at your convenience if you so desire, or if you believe it would be wise, we can seek more specific guidance on this point from higher authority.

Sincerely,

SIGNED

Allen W. Dulles  
Director
